# About Us

## ALASKA FARM BUREAU

[www.AlaskaFB.org](http://www.AlaskaFB.org)

Alaska Farm Bureau supports, educates, and advocates for Alaska agriculture, helping build and grow farmers and ranchers across Alaska. Alaska Farm Bureau is the largest agriculture-related organization in the State of Alaska. We are here to support growers, regardless of the product grown or method of production. Alaska agriculture affects us all.

## WESTERN SUSTAINABLE AGRICULTURE RESEARCH AND EDUCATION

[www.western.sare.com](http://www.western.sare.com)

Western SARE's mission is to advance innovations that improve American agriculture's profitability, stewardship, and quality of life by investing in groundbreaking research and education. To achieve that, Western SARE believes that our programs must include the involvement of agricultural producers from inception to finish, and therefore we require producer involvement in the planning, design, implementation, and educational outreach of any funded project.

## NATURAL RESOURCES CONSERVATION SERVICE

## HOMER SOIL & WATER CONSERVATION DISTRICT IN PARTNERSHIP WITH USDA NRCS GRAZING LANDS CONSERVATION INITIATIVE

<https://homerswcd.org/ak-grazing-lands/>

Homer Soil & Water Conservation District is partnering with U.S. Department of Agriculture Natural Resources Conservation Service through their Grazing Lands Conservation Initiative to organize the statewide Grazing Lands Symposium for the 2025 Alaska Agriculture Conference. Soil and Water Conservation Districts are local units of government that develop, manage, and direct natural resource programs at the local level.

Old Traditions, New Horizons

### **Featuring The Alaska Grazing Lands Symposium**

This year's annual Alaska Agriculture Conference brings together some of the state's most active agriculture advocacy organizations to deliver education, resources, and networking opportunities to producers, industry leaders, agriculture professionals, agency representatives, land stewards, small farmers, and new farmers alike.

This conference will provide an effective in-person and virtual platform for our sponsors and vendors to connect with members of Alaska's agriculture community!

Various levels of sponsorship include opportunities for recognition both before and during the event. Vendors will have the chance to network with attendees and showcase their products and services.
